

Glory expedition

Hello everyone! The glory expedition, which is a guild event, is currently ongoing and we need each of you to try to place as high as possible. We're trying to aim for the top 1-3 reward where each of us would get 5k diamonds and 12k guild medals (I cannot find information on how often this is distributed).

We need you to focus on the following:

- Arena (points distributed daily AND weekly)
- Dream real (daily)
- Arcane labyrinth (weekly)
- Honor duel (weekly)

Since arena, labyrinth and honor duel are distributed weekly we need every member to pay special attention to these. Labyrinth has unlimited tries, you can see your ranking by clicking the cup icon within the respective page. Use arena tickets wisely as you cannot buy that many of them. Honor duel tickets CAN be bought by clicking the plus icon next to the cards on the top right corner and they're relatively cheap. If you cannot find it please let me know.

Honor duel is the easiest way for you to gather points so definitely do that even though it can be a bit annoying at times. Here are the specific points for specific ranks:
